

Gibbs Lake Gallop

A fun and festive atmosphere will prevail! A well marked trail will guide you through Gibbs Lake County Park. The route is wooded and winds over hill and dale. This a trail run so you should expect uneven terrain.

The race starts at 8:00 am sharp. We will finish in time for the Memorial Day parade through Evansville at 10:00 and the memorial service at the cemetery.

Come enjoy the walk or run through this lovely park and support the "Ride for the Cure" for the Juvenile Diabetes Research Foundation.

Please leave your dogs behind for the duration of the run.

Our Mission

We will do our very best to support the cause of JDRF (Juvenile Diabetes Research Foundation) to raise awareness of diabetes in our community and to ultimately find a cure. In pursuit of this goal, we will raise \$4000 per rider for the privilege of a Century bike ride (100+ miles). Our efforts will benefit our children and those yet to be afflicted with this debilitating disease.

JDRF

The mission of the Juvenile Diabetes Research Foundation (JDRF) is to find a cure for diabetes and its complications through the support of research. Type 1 diabetes is a disease which strikes children and adults suddenly and requires multiple injections of insulin daily or a continuous infusion of insulin through a pump. Insulin, however, is not a cure for diabetes, nor does it prevent its eventual and devastating complications which may include kidney failure, blindness, heart disease, stroke, and amputation. Since its founding in 1970 by parents of children with type 1 diabetes, JDRF has awarded more than \$1.3 billion to diabetes research. Diabetes affects nearly 24 million people in the U.S. – a large and growing percentage of them children. The disease and its complications cost more than \$174 billion dollars a year, and touch as many as 25% of all Americans. Every year, more than 30,000 new cases of type 1 diabetes are diagnosed, with more than half of them children. In total, as many as 3 million people in the U.S. are now living with type 1 diabetes.

The Ride is fast becoming one of JDRF's top fundraising events. Some riders have personal commitments to keep fighting for a cure; others are simply looking for a positive way to give back to their community; all are inspired to meet the challenge. Whatever your motive, the Ride is an unforgettable experience that leaves participants with a feeling of great satisfaction and that will bring us closer to a cure for diabetes, one pedal stroke at a time.

Registration Form

A complimentary T-shirt is included if registered by May 14. Circle BOTH - Adult or Child AND size. Everyone must sign this waiver. If you are under 18, a parent or guardian must sign.

Waiver: In consideration of my signing this agreement, I hereby for myself, my heirs and administrators assume any and all risks, which might be associated with the Gibbs Lake Gallop event.
